A Message From the Director

Dear Friends of the Foundation,

School is back in session, the leaves are beginning to change and the Fairfield County Fair is just around the corner. With fall in full swing here, I cannot help but reflect on how fortunate we are to live in such a beautiful community.

While we may face challenges from time to time, I know that every person reading this newsletter works to make Fairfield County prosper and thrive, whether its through volunteering your time, your treasure, your talent, or all three. So, as the weather turns colder and individuals and nonprofits who are struggling look to us to help them find resources, I encourage all of us to reflect on how we can continue to serve in the generous spirit of philanthropy to ensure that each member of our community has his or her basic needs met.

One such need is healthcare, and below you will see the grants that the Foundation recently awarded in this critical area to various organizations in our community.

Thank you for all you do,

Amy Eyman
Executive Director

Building a Legacy: One Project at a Time

Grants provided by the Fairfield County Foundation continue to touch every corner of our community, helping organizations accomplish their goals. This month, we are featuring the Mollee J. Seifert Memorial Scholarship.

This scholarship was established in loving memory of Mollee J. Seifert in 2001. Mollee graduated from William V. Fisher Catholic High School in 1993 and Ohio State School of Cosmetology in 1995.

She was tragically killed in an automobile accident on January 2, 2000; she was 25 years old.

Mollee's parents, family and friends decided they would like her memory to live on by awarding memorial scholarships each year to graduating seniors from Fisher Catholic, Lancaster, Fairfield Union or Sheridan high schools. We know this would please Mollee to see other young people achieve their dreams.
